

Diana Foye

CEO | Chief Lawyer

Diana Foye is a leading personal injury lawyer and multi award-winning businesswoman who traded a 17 year high profile corporate career in Sydney to use her wealth of legal experience to empower individuals to be strong and fearless in the face of adversity.

This led to the launch of Foye Legal in 2015, initially with Diana as a sole practitioner and in 2016 the company was established, moving from Diana's home to premises in Wollongong CBD.

Having been admitted to the Supreme Court of NSW and High Court of Australia, Diana spent almost two decades in a thriving legal career representing Australia's largest corporations and insurers and winning high profile cases, and has attained invaluable knowledge and experience. This has allowed her to implement unique strategies in each of her client's cases, rewarding them with the most favourable outcomes.

Through strategic acquisitions driven by Diana, Foye Legal became a full service law firm by 2019 and has grown to a formidable team of over 20 staff with specialist lawyers based in Wollongong, Shellharbour and North Sydney.

Diana's vision for the firm has been to ensure her team become life-long partners with the firm's clients, guiding them through the major events in their lives. Whether that is recovering from a life changing personal injury, being the victim of

discrimination and/or crimes, buying or selling their home, experience relationship or family breakdown, preparing for end of life, no matter what stage of the journey, Diana and her team are on that journey with their clients.

Diana has served and continues to serve her community through various board appointments, committees and support of charities. She has been awarded Australasian Legal Practice Management Association Executive of the Year 2022, IWIB Businesswoman of the Year 2018, highly commended for IWIB Innovative Businesswoman of the Year 2017.

Foye Legal has been awarded IWIB Best New Business 2017, IBC Start-up Superstar 2017, IWIB Best Business 2019, runner up in the Emerging and Energised category of the Australian Telstra Business Awards 2019, Australian Women's Small Business Champion in Legal Services 2022 and IWIB Best Business 2023.
