

## Tracy Preston

## MMJ Wollongong

Tracy has dedicated her now 28 year career to commercial asset management. Having worked for some of Australia's most recognisable national agency brands and private developers, Tracy has dedicated the last 17 years of her career to heading the commercial management team at MMJ Wollongong, where she prides herself on building meaningful careers for commercial property professionals and providing unparalleled service to commercial property owners.

Tracy holds a Land Economics Degree from the University of Technology Sydney.

Originally from Campbelltown NSW, Tracy moved to Wollongong, having an affinity with the Illawarra and Shoalhaven, from spending the holidays of her youth at Gerroa. A lover of all things aquatic, Tracy is a keen kayaker and recently took back up swimming as her leisure activity of choice.

Always keen to give back to the community, Tracy recently took part in the Cancer Council's Stars of Wollongong Dance for Cancer event and proudly raised \$36,000 for the Cancer Council this year as a result.

Tracy is the IWIB Outstanding Executive Employee 2024
